

August 18, 2017

Dear *TLC* Friends,

Since 1959, we have provided therapeutic and supportive services for thousands of children and adults with developmental disabilities in our region. Through the years, our capacity to serve has expanded to meet the needs within our community.

As you may know, some of our therapeutic services are not covered, or are only partially covered, by traditional funding sources. We must find additional sources to fill this gap in funding.

***This is where you come in – we need your support!
Buy a Mum!***

Our annual mum sale is our original fundraiser and helps us fill the funding gap. Ordering a mum (or two) is simple and can be done in one of four ways:

1. Return the enclosed card with payment to:
2808 Fox Meadow Lane, Jonesboro, AR 72404
Or
2. Email Aaron Hannah at ahannah@tlcnea.com
Or
3. Call 870-932-4245 ext. 21
Or
4. Fax 870-931-4457

Please provide your name (or business name), contact information, and number of mums you wish to order. If you are ordering a mum as a gift, please provide the name and address for delivery.

Your mum(s) will be delivered in early October. They are large, beautiful mums provided by a local nursery. Your donation of \$100 per mum and your order should be placed by October 4th, 2017.

Your support is greatly appreciated!

Dr. Joseph Nichols
President
Board of Directors
